

# Harmandeep Pannu

## Front-end Web Developer

Seattle, WA

[iharmanpannu@gmail.com](mailto:iharmanpannu@gmail.com)

206-566-8477

Web developer specializing in front-end development. Experienced in developing responsive websites and web applications from scratch in HTML, CSS, Javascript and Javascript frameworks such as jQuery and React JS etc.

I like little details and love interactivity. I believe in simplicity and consistency. Passionate about learning new technologies and solving problems.

Willing to relocate: Anywhere

Authorized to work in the US for any employer
